

THE ONES IN FRONT OF THE GUN

CYCLE 4 ADVANCED PROJECT

BY: NATE, ADAM, BEN, ETHAN,
ALYSSA, AND GRACE

LOGLINE:

Genre: Crime / Drama

In the gritty heart of the inner city, a troubled youth embarks on a relentless quest for justice, he seeks revenge for the devastating murder of his elder brother while navigating a treacherous path where vendetta and redemption collide.

SYNOPSIS:

Two brothers, Andre and Leon, are chilling in a car outside of their apartment complex. They are both vibing to music and enjoying each other's company. The scene transitions to sometime in the future and Andre is now all alone in the vehicle, looking troubled by something unknown.

Andre walks up to his apartment unit where he sees his friend, Chillie. Once inside the apartment, Andre becomes distressed. He begins cursing and throwing things across the room. He falls to the floor and sits against the wall in his room, wiping tears. He calls Chillie and tells him to meet him outside. Andre walks to the door and we flashback to Leon.

Leon walks out of the apartment on a mission, looking visibly upset. He's looking for Andre. He finds him at a local park, where he's sitting with a bunch of members from a local gang. Leon expresses his frustration with Andre and he reluctantly agrees to go back home. However, Leon notices that Andre's chain is missing. Andre tells him that he let Chris, a local shotcaller, "hold on to it". Leon's protective instincts kick in and he goes to confront Chris about the chain. Chris dismisses Leon's request to give the chain back and one of the gang members gets in Leon's face telling him to leave. This sparks a fight.

SYNOPSIS:

Andre sits in a car with Chillie where they are scoping out Chris and his crew who are hanging out and drinking at a park. The duo go out and draw their guns out on Chris and company. Chris is dismissive of Andre's threats and begins to curse and berate him. Andre fires his weapon.

Flashing back to Leon at the park, we finish the fight. A large crowd is on Leon, stomping him out. Andre tries to punch his way through. A gunshot is heard and the entire group scatters. Andre makes his way through to Leon. We cut back to Andre in the present looking at Chris.

We cut back to Andre in the present looking at Chris. Chris's friends are running away. Chillie tries to pull his friend away to leave. Andre is frozen, fixated by the chain around Chris's neck.
